

O'ODHAM OBJECTS

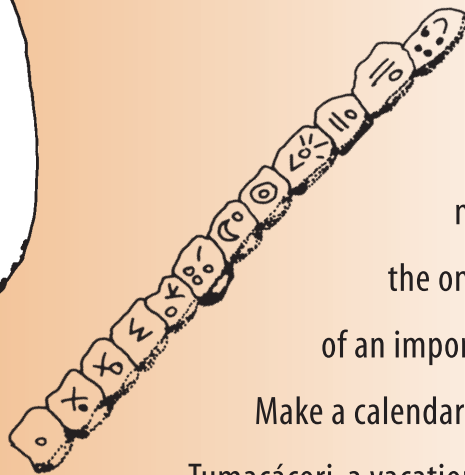

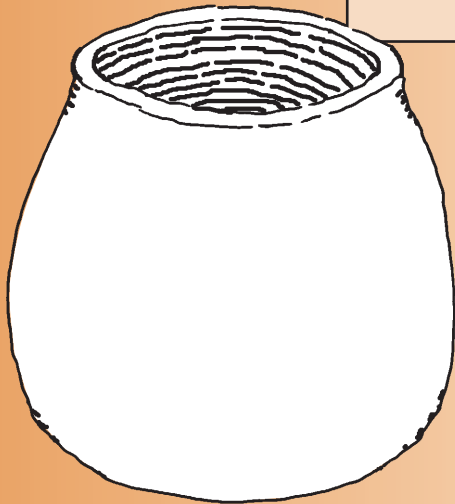

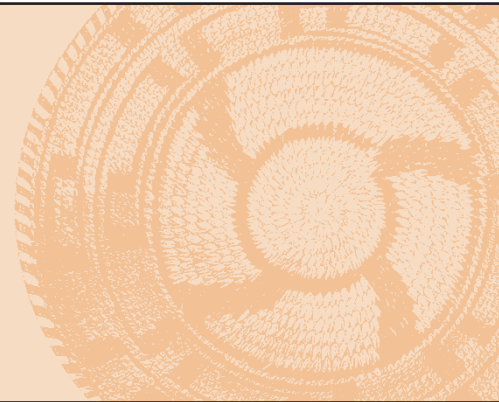

Baskets

O'odham women are well known for their remarkable coiled baskets. Traditionally, O'odham women living near the Santa Cruz River made their baskets from willow, cattails, and, for the dark designs, a desert vine called devil's claw.

Connect the dots to see a traditional O'odham basket design.

Now decorate the basket at left with your own design.

Calendar Sticks

The O'odham recorded history by making drawings on a calendar stick like the one below. Each picture tells a story of an important event.

Make a calendar stick describing your trip to Tumacácori, a vacation, or other event.
